6/11: Day 1—Music (1-1:30)

6/12: Day 2—PE
6/13: no Encore; Early Dismissal (12:55)

Dear Parents,

As another school year comes to a close, it is very bittersweet for me. I have been a first and second grade teacher, in addition to being a fifth grade teacher. This year's class is the first set of students I got to know when I came to Lee Hill. I have watched them grow from tiny, giggly first graders into caring, mature, (and still giggly) fifth graders. I am delighted to see them move into the next phase of their educational journeys and know they will be successful. I am saddened because I may not see these beautiful faces and souls again. I just hope that the lessons they learned, both academically and emotionally, during their time at Lee Hill will serve them well as they make new paths into middle school.

The students in this year's class have touched my heart and have made my first year in fifth grade very memorable. I could not ask for a better group of students and **parents!** I received so much support this year at home and am truly grateful. I hope that teachers in the middle school will give you the opportunity to enhance their classrooms as you did mine.

I wish all of you the best summer. And if you go fishing, think of me!

Warmest Regards,

Mrs. Bryant

Dear Class,

YOU DID IT! You are finished with elementary school... **FOREVER!** I am so proud of each and every one of you. You will be stars in middle school because of the hard work and perseverance you showed this year.

Don't forget to pull out your "happy" cards when things seem a bit tough. Know that Mrs. Bryant believes in you and you can do anything you set your mind on. Middle school is a different environment. More independence, more homework, more friends, more teachers, more classrooms, more everything! You are ready for this!

I will be at LHES next year, so if you ever have a chance to stop by, please do. I would love to hear how you are doing in middle school. You can also email me!

Love,

Mrs. Bryant

End of the Year Dates

June 10: Middle School Math Placement Test
June 11: 5th Grade Promotion 9:30
June 13: 5th Grade Celebration; Early Release (12:55)
